Thank you for your purchase!

Here are some commonly asked questions about the printing process.

Please feel free to reach out to me if you need additional assistance.

Q: What type of paper should I use for printing?

A: I recommend using cardstock or heavyweight matte paper for best results.

Q: My printable is getting cut off when I print. What can I do?

A: Ensure that your printer settings are set to "fit to page" or "scale to fit."

Q: Which file format should I download for printing?

A: I recommend downloading the design as a high-quality PDF or PNG

Q: Why does the design look pixelated when I print?

A: Ensure you've downloaded the design in high resolution.
